To Whom It May Concern:

C.S. Mott Children's Hospital is often approached by individuals and/or businesses in the community who are interested in hosting an event to support programs about which they feel strongly. We welcome these events and are grateful to receive the proceeds they provide.

On October 22, 2016 from 10am-2pm, the Michigan Mudbowl™ Club [501c3] will host the 83<sup>rd</sup> Annual Michigan Mudbowl™, a time-honored Homecoming tradition and fundraising event, which will be held at 1408 Washtenaw Ave, Ann Arbor, MI 48104. The staff is seeking assistance with this event in the form of gifts-in-kind or other donations. If you choose to provide a gift-in-kind or a donation for this event, please be assured that the proceeds will be designated to C.S. Mott Children's Hospital.

Thank you,

Katy Kaliszewski
